

- **Provider Education:** Support provider education on the use of updated screening guidelines, shared decision making around screening type, and evidence-based interventions to increase cancer screening.
 - Collaboration with Dr. William Calo and ECHO project – 2025 potential timeframe
- **Policy:** Monitor and disseminate information on policies introduced and passed regarding cancer screening, including attempts to address loopholes in coverages and costs associated with diagnostics and follow-up. Keep decision-makers informed on the current recommendations for cancer screening.
 - Biomarker legislation passed. See below for more info: [Governor Shapiro Signs Game-Changing Legislation Aimed at Improving Health Outcomes, Quality of Life for Pennsylvanians | American Cancer Society Cancer Action Network \(fightcancer.org\)](#)
- Items from the group – what is going on in your CRC screening world/highlight successes; Discuss and share any challenges and potential workarounds for the benefit of all.
 - Lyn and April shared with the group about a collaborative effort to house a CRC resource list on the PCC website. A sample will be shared with the group to add.
- Wrap up/Adjourn
 - Next Meeting is Wednesday, September 11 from 9-10am
