4. Welcome by William Calo --

Katie Noss – Manager, Clinical & Quality Improvement from PACHC

Erin Babe – Public Health program specialist from PACHC working with immunizations

5. Old Business by William Calo—

William Calo – NCI-funded HPV ECHO study is launching in August 2022. Recruited 9 clinics for the cohort. Spaces open for more clinics to participate. All clinical staff are invited to participate. As incentives can earn MOC Part IV points, CMEs, NCPD contact hours, and financial incentives for survey completion.

Christina Reardon – Dental training is complete and will be live on the PCOH website! Massive thank you to all who contributed and helped with the toolkit!

Brenda Anastasio – Waiting for the Dental CEs for the training and will then widely disseminate the training!

Angela Renner – PCOH was able to poll to all dental providers in Blair County to assess practices and will reassess in 3-months to determine if the toolkit impacted their practices. Survey responses are slow but trickling in to determine future directions!
