Bureau of Health Promotion & Risk Reduction

- Live Webinar: Prostate Cancer – What You Need to Know (2024 Updates), A Conversation with Dr. Russell Owens

Event information:

September 17th, 12:00-12:45 pm- UPMC Urology, Pennsylvania Department of Health, PA Cancer Coalition, and Latino Connection, a Color & Culture catalyst present: "**Prostate Cancer – What You Need to Know (2024 Updates): A Conversation with Dr. Russell Owens**"

This webinar, presented in a Q&A format along with an educational PowerPoint, was streamed via Zoom. There was time at the end of the webinar for questions for Dr. Owens. The slides and recording were shared with all participants who registered for the event. The webinar is also available for viewing on the Latino Connection's website, and on the Men's Health Work Group News and Resources page: [Resources](#)

Next meeting: 10/16/2024
